IHS Jane's Methodology

- **Accurately sourced information**
 - Analysts ensure accuracy by using primary sources whenever possible
 - If secondary sources, information is corroborated from at least 3 sources
- **Analytical Rigor**
 - Analysis is run through a rigorous process of checks and balances
 - Peer reviewed by colleagues and cross checked for legal, libel, consistency and accuracy issues
- **Customer Focused**
 - All of our analysis is written with the customer in mind
 - Aim to keep it succinct, focused and forward-looking – “So What” Factor
- **Updates**
 - News content is updated daily
 - Reference content is updated as technology changes, i.e. a new piece of equipment is added or a new variant is introduced and based on current events

Al-Shabaab co-founder Adeh Hashi Farah Ayro, in a screenshot taken from a Al-Shabaab video released following his death in a US air strike in May 2008. Prior to his death, Al-Shabaab had successfully prevented images of Ayro being published, and has since had similar success in protecting the identity of current leader Godane. (Shabab)
